You will receive a confirmation email that your space is secure

Please note: Registrations will not be processed until Lyssa returns from Japan in the second half of March. At that time, you will receive an email with confirmation of your registration. Checks and credits cards will not be processed until early April. However, we do encourage you to register early because space is limited. Registration with payment will secure your space. If we exceed the space of the venue, we might have to secure a new venue (and thus travel info would change) or we will put you on a waiting list. Thank you!
